

MACLEAY VALLEY COAST PROJECT

Across the Macleay Valley Coast, NSW, in iconic and significantly important areas such as; Crescent Head, Bellbrook, Hat Head, Back Creek, Kempsey, Stuart's Point and Grassy Head, you will find Miller's striking interpretative custom made signs and structures telling First Nations' stories of place.

Photo Anodised Aluminium story telling signs are complimented by custom designed and cut out structures made from varying materials such as; timber hardwood posts, corten and stainless steel lettering.
